MADERA
COMMUNITY
COLLEGE

WELCOME TO MADERA COMMUNITY COLLEGE,
home of the Mountain Lions!

As the only college in Madera County (and with a campus in Oakhurst), we are proud to serve the Central Valley region. Our commitment is to the community and to your success.

At the age of four, I migrated from Mexico to the United States and immediately started working in the fields. I worked as a migrant farm worker until I started college. My parents left school during their elementary school years to work the fields, but my mom always talked to me about the importance of getting an education. And my dad taught me the value of hard work.

The youngest of seven children, I watched some of my siblings go to college. They paved the way for me. If you are the first in your family to go to college, don't ever underestimate the power of the example you are setting for those around you!

During college, I sometimes felt like I did not belong. Many of my professors did not look like me. It didn't feel like there was a place for me. We at Madera Community College want each student we serve to feel welcomed and validated.

I know my story may not be your story, but my own lived experience is what drives me to create a college where all students are supported – where everyone can succeed and has a voice. Let us know your goals. Tell us your story. We want to walk with you every step of the way.

In closing, I want to extend a warm welcome on behalf of all the faculty, staff members and current students. At Madera Community College, there is a place for you. We look forward to being part of your college journey.

Go Mountain Lions!

Sincerely,
Ángel Reyna, President

Note: Registration date/time is only assigned when the online orientation is completed.

7 PAY FEES

Pay before the due date. You can pay in person (Room AM-115)

MULTI-FACTOR AUTHENTICATION

MFA is required on all student accounts.

STEP ①

Get the Microsoft Authenticator app on your phone.

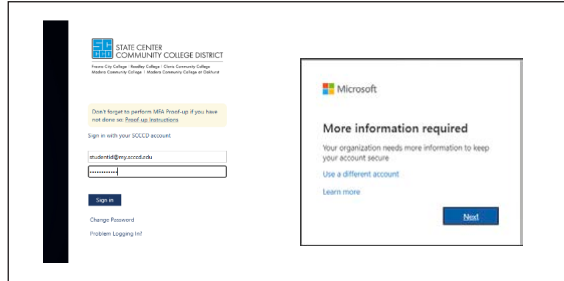

Android

Apple

You can find it in your phone's app store.
Or scan one of the above QR codes.

STEP ②

Next, go to **https://aka.ms/mfasetup** on a computer or tablet (only need to do once)
Use your StudentID@my.scccd.edu credentials to log in.
Select "Next"

STEP ③

Follow the instructions on the website. You'll be shown a unique picture known as a QR code. When you see the QR code:
Please open the MS Authenticator app on your phone.
Tap "Add work or school account."
Tap "Scan a QR code."
Then scan the code with your phone's camera.

STEP ④

You'll then get a code from the website to test that it's working. Enter that code where it asks you to on your phone.
STEP ⑤

Finish the steps, and you'll be logged into the Security Info page at **https://aka.ms/mfasetup**.

STEP ⑥

The next time you log in, the Authenticator app will help make sure it's really you. It's a way to keep your account safe!

MY PORTAL LOGIN

STEP ①

To access MyPortal go to: **https://myportal.scccd.edu**
Next, click on "Sign In."
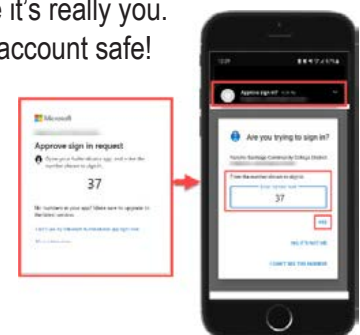

STEP ②

Enter your 7-digit student ID number followed by @my.scccd.edu.
For example:
1234567@my.scccd.edu

STEP ③

Next you'll be prompted to enter your SCCCD email again and password. If this is your first time logging into your student portal, your password will be:
• First letter of your FIRST NAME (UPPERCASE)
• First letter of your last name (lowercase)
• Your 6-digit date of birth in the mmddyy format.

Example: Robert Jones was born on January 5, 1999. His password would be: Rj010599
STEP ④

Microsoft Authenticator: (Approve sign in request through Microsoft Authenticator to login to My Portal). See page 4 for details.

STEP ⑤

Review your communications preferences.
Click on Communications Preferences
• Update your cell phone number and/or email address
• Check your phone and email for a validation code and enter when prompted
• Check your preferences before continuing to the portal
• Click Submit at the bottom of the page
• Click Dashboard to return to the homepage

STEP ⑥

On Dashboard
• Click on Student email
• Keep the language English
• Change Time Zone to Pacific time (US & Canada)
• Click on Save
Need Help?
Call the Student Help Desk
at 886-245-3276,

STEPS TO FINANCIAL AID

Entering college can be intimidating and the prospect of paying for college can be overwhelming. However, Madera Community College and Madera Community at Oakhurst are committed to your education and the Financial Aid staff will make every effort to assist students in obtaining financial aid. Here are some steps to help you through the financial process.

1. HOW IT WORKS (AFTER YOU SUBMIT YOUR FAFSA)

The Department of Education uses the information on your FAFSA to calculate your Student Aid Index (SAI), so if your answer to a question is none, input a zero instead of leaving number fields blank. Estimating financial information before you or your parent(s) have filed federal taxes is okay if you are up against the deadline. However, once your family taxes have been filed log on to your FAFSA to make corrections. Files are reviewed in the order they become complete. Every contributor on the FAFSA is required to consent to IRS Data Direct Exchange (DDX), even if they didn't file taxes, for the student to be eligible for federal aid. To start the FAFSA, an FSA ID is required. Students and parents must have an FSA ID to fill out the form, including parents without a Social Security number. It is in your best interest to respond in a timely manner because some funds are awarded in a first come, first served manner and may run out.

2. REVIEW ELIGIBILITY CRITERIA AND OFFER LETTER

Documents are reviewed for accuracy and completeness and enrollment may be verified. Your financial aid package is calculated based on your processed FAFSA or CA Dream Act Application. An email offer letter is sent at the earliest possible date. Financial Aid Award programs are subject to institutional, federal, and state funding levels and eligibility requirements. Forms, awards and requirements are subject to change.

3. REVIEW FINANCIAL AID

Check Self-Service and student email for communications from the Financial Aid Office about forms you might need to submit. Your file will not be completed until you submit completed forms.

FAFSA School Code: 042961

Important Dates & Deadlines

OCTOBER 1: FAFSA and CA Dream Act Application filing begins. In order to receive financial aid each year, you must complete the FAFSA or CA Dream Act Application process once every academic year. *The release date is tentative pending approval from the Department of Education.*

MARCH 2: FAFSA & Dream Act Application deadline for initial Cal Grant awards. Deadline for Madera Community College and Madera Community College at Oakhurst Scholarships.

JUNE 15: Priority deadline to complete your financial aid file.

  1. Look at your SEP-A (In Starfish) and Select Term (Fall 2026 semester, Spring 2027, etc.)
  2. Choose *Location (MCC, OC, RC, FCC, CCC)
  3. After you select the *Term, *Location, *Subject > Search
  4. Enter class name *Subject (e.g., English) and Course Number (e.g., C1000 for English)

 Search

See next page for an examples

TO REGISTER
1. Click Menu button (Top L) > Academics >

2. Register for classes/View My Schedule
3. Action allows you to Register, Waitlist, or Remove a Class
4. Register for each class under Action

Technology Tips

All campus websites have been tested to work with Microsoft Edge, Google Chrome, Mozilla Firefox, and Mac Safari web browser EXCEPT Internet Explorer. After six failed login attempts to your MyPortal, a soft lock will be applied to your account. The soft lock will clear after five minutes. A hard lock will be placed on your account after 15 failed login attempts. Call the help desk to have your password reset.

On-Campus Wi-Fi

For laptops running the Windows and Apple operating systems, you will need to click the Wi-Fi icon to see the list of wireless networks available. On mobile devices, navigate to the Wi-Fi connection screen typically found under the Settings screen for the device.

Choose to connect to SCWIFI. You will be prompted to enter your username which is your student ID number and password, which is the same password used to log into MyPortal. LOG OUT. Your information gets saved. If you don't log out, another person can get your information.

Using Chrome?

If you are using a shared device, clear the web browser history and cookies before you login and after you are done. Chrome remembers the last person's login and their information stays in Self Service.

SELF-SERVICE/CLASS REGISTRATION

Register for classes, see your grades, pay fees, and drop classes.

TO SEARCH FOR CLASSES:

TO REGISTER:

WAITLIST

A Waitlist allows students a spot "in line" for classes that are full. When someone in the class drops, a seat opens and a student on the waitlist can now register for it. Waitlist gives you priority for an open spot, making it more likely you will get a seat in the class.

DO I HAVE TO PAY TO BE ON THE WAITLIST?

No. You only pay for classes in which you registered.

HOW DO I WAITLIST A CLASS?

When trying to register for a class in Self-Service that has no open seats, students will get the chance to join a waitlist. The class will appear waitlisted in My Portal. Students can waitlist multiple courses.

HOW DO I MANAGE MY WAITLIST?

Once you have chosen to Waitlist a class, you can log into Self-Service to check your waitlist status. Below are the three different waitlist statuses.

- Active = "Waitlisted" will appear at the top of the section - indicates you are active on the waitlist.
- Permission to Register = "Waitlisted - Permission to Register until <date>" - indicates you have permission to register until date listed.
- Expired = If permission has expired, the waitlist option button appears at the bottom of the section if the option to add to the waitlist is still available

HOW DO I REGISTER INTO A CLASS FROM A WAITLIST?

Once your seat becomes available in your waitlisted course, you will receive an email notification. The message will only be sent to your student email account, or you can view your schedule in Self-Service to see if your status has changed to "Permission to Register."

Once permission to register is granted, you will have four days (including weekends) to enroll in the class using Self-Service. After four days, if you have not enrolled in the class, you will be removed from the active waitlist and the next student on the list will be notified. We recommend you use a laptop or desktop computer when registering to avoid compatibility issues with cell phones or tablets.

WHAT IF I'M STILL ON THE WAITLIST WHEN CLASS STARTS?

If you are on a waitlist after registration closes, you must attend the first class meeting and check with the instructor to see if there is space available for late enrollment. If you do not attend the first day of class, you will lose your place on the waitlist and another student may be added instead. If there is space in the class, the instructor may give you permission to register through Self-Service.

WHAT IF I HAVE A REGISTRATION HOLD OR NEED ASSISTANCE REGISTERING?

You may visit any SCCCD campus to resolve registration holds or call the student help desk at 886-245-3276 for assistance during regular business hours, Monday through Friday 8 am to 5 pm.

WHAT IF THERE IS A TIME CONFLICT WITH MY WAITLISTED COURSE AND ANOTHER CLASS ON MY SCHEDULE?

Self-Service will allow you to waitlist courses regardless of time conflicts with other courses on your schedule. The system will not allow you to register for courses that have overlapping meeting times. If you are granted permission to register for a waitlisted course that meets at the same time as another class on your schedule, you will have to drop the class causing a time conflict or remove yourself from the waitlisted course.

Need help?
Call the Student Help Desk at 886-245-3276.

MAINTAINING GOOD ACADEMIC STANDING

College is a new experience and with it comes new lingo. Here are some terms you need to know.

ACADEMIC STANDING

Students who maintain a satisfactory semester and overall grade point average(GPA) are considered to be in good academic standing. When a semester GPA or cumulative GPA (or both) falls below 2.0 you may receive notice of the following:

ACADEMIC PROBATION LEVEL 1 (A1/P1)

Students are placed on Level 1 academic/progress probation if they have attempted at least 12 semester units and their cumulative GPA falls below 2.0, or if they have completed less than 50% of the courses attempted. To remove the registration hold, students must complete an Online Probation Workshop.

ACADEMIC PROBATION LEVEL 2 (A2/P2)

Students move to Level 2 academic/progress probation if their GPA remains below 2.0, or if they have completed less than 50% of their courses for two consecutive semesters. To lift their registration hold, students must meet with a counselor for registration clearance.

ACADEMIC DISQUALIFICATION

A student who has attempted at least 12 semester units will be dismissed for one semester (excluding summer session) if, during three consecutive semesters, their academic performance meets either or both of the following conditions:
1. The student's cumulative GPA remains below 2.0.
2. The student has received entries of "W," "I," "NP," or "NC" for 50% or more of the units they attempted.

COMMON COURSE NUMBERING (CCN) SYSTEM
Changes Effective Fall 2026

As a result of AB 1111, California Community Colleges are in Phase 2 of adopting a common course numbering system for all general education and transfer pathway courses. The purpose of the CCN system is to ensure that comparable courses across all community colleges have the same course number. The goal is to streamline the transfer process from California Community Colleges to four-year postsecondary educational institutions and reduce excess credit accumulation.

The chart below provides a list of courses that will be offered throughout the SCCCD with a comparison of the current course prefix and number and the new course prefix and number based on the CCN system beginning fall 2026. If you have any questions, please contact your counselor at the college you are attending or plan to attend.

MADERA COMMUNITY COLLEGE ASSOCIATE IN ARTS AND SCIENCE DEGREE REQUIREMENTS 2026–2027

1. Sixty (60) units with at least 2.0 ("C") grade point average in all courses applicable to the associate degree.
2. Satisfactory completion of at least 12 semester units in residence at the State Center Community College District.
3. Satisfactory completion of a minimum of 18 semester units in a major or area of emphasis with a grade of "C" or better or a "P" in each course.
4. Completion of one of the following general education (GE) patterns: (See a counselor for advisement on appropriate general education pattern)
   Option 1 – Madera Community College General Education - for students not intending to transfer to a four-year institution. AREA 1A and AREA 2 must be completed with a "C" grade or higher. This GE option cannot be used for an Associate Degree for Transfer (ADT).
   Option 2 – California General Education Transfer Curriculum (Cal-GETC) – for students intending to transfer to a CSU, UC, or other four-year institution.
5. Students who have been awarded a bachelor's degree from an institutionally accredited institution shall be deemed to have fulfilled the general education course requirements for the local Associate in Arts (AA) or Associate in Science (AS) degree.

Associate in Arts for Transfer (AA-T) or Associate in Science for Transfer (AS-T)
To earn the Associate in Arts for Transfer (AA-T) or Associate in Science for Transfer (AS-T), students must complete Cal-GETC, major requirements, and have a total of 60 semester units of CSU-transferable coursework. Students must maintain a minimum 2.0 GPA, including grades of "C" or higher in each course to fulfill the major.

Multiple Degrees
A student may earn more than one associate degree from Madera Community College. The same associate degree cannot be awarded from more than one college in the State Center Community College District.

Graduation Application
A candidate must file a graduation application in order to receive the associate degree or certificate of achievement. Application deadlines are listed in the academic calendar within the catalog.

CALIFORNIA GENERAL EDUCATION TRANSFER CURRICULUM (CAL–GETC)

The California General Education Transfer Curriculum (Cal-GETC) is a series of courses that prospective transfer students attending California Community Colleges (CCC) may complete to satisfy the lower-division general education (GE) requirements at both the University of California (UC) and the California State University (CSU). Many independent/private and out-of-state colleges and universities also accept Cal-GETC.

Students intending to transfer into majors that require extensive lower-division preparation, such as engineering or the natural sciences, should concentrate on completing the major courses while meeting minimum admission requirements.

The courses on the previous page are **Cal-GETC APPROVED FOR MADERA COMMUNITY COLLEGE ONLY**. Students completing courses at other California Community Colleges, in particular Fresno City College, Reedley College, and Clovis Community College, should carefully review course differences in Cal-GETC placement on **www.ASSIST.org**.

Courses Completed at Other California Community Colleges (CCC)
Courses taken at more than one CCC may be used to fulfill Cal-GETC. Coursework may only be applied to the Cal-GETC area for which it was approved at the community college where and when it was completed. Refer to **www.ASSIST.org** for a list of CCC courses that satisfy Cal-GETC requirements.

GE Credit by Exam
Credit may be earned for Advanced Placement (AP) exams and International Baccalaureate (IB) Higher Level exams toward Cal-GETC. See the Madera Community College catalog for details. Students should be aware that college courses may duplicate the content of AP examinations. The university may not award credit for both the course and the AP exam. Some UC campuses may require higher exam scores for subjects within the major. Refer to each institution's policy on how AP credit is granted for the major. CLEP exams are not accepted for Cal-GETC.

U.S. History, Constitution, and American Ideals for CSU only
A U.S History course (HIST C1001, C1002, C1002H, or 22) and a U.S. Government (including California) course (POLS C1000 or C1000H) is required for CSU graduation. Though not required to complete Cal-GETC, these courses may satisfy AREA 3B or AREA 4.

Cal-GETC Certification
Students who have completed courses at more than one college should have their coursework certified by the last California Community College attended for a regular term before transfer.

CERTIFICATE OF ACHIEVEMENT: Cal-GETC (M.5901.CA)
Students who complete the Cal-GETC pattern and meet the residency requirement are eligible to apply for the Certificate of Achievement from Madera Community College.

STARFISH

Discover Starfish: Your Key to Success! Starfish is your go-to resource for navigating your academic journey and accessing essential campus services. Here's how it can help you.

Starfish

MANAGE YOUR ACADEMIC JOURNEY:

Schedule Academic Counseling Appointments:
Schedule an appointment with your pathway or program counselor by mid-October to complete your SEP.

Request Assistance:
Request support with food and housing insecurities, tutoring, employment, counseling,health services, accommodations for students with disabilities and so much more.

View Upcoming Meetings:
Stay organized by tracking your important academic appointments

Notifications:
Track faculty-raised Early Alerts indicating the need for academic assistance and kudos for your achievements to help you stay on track.

Progress Tracking:
Monitor your academic progress, view grades, and track the completion of action items recommended by academic counselors.

TIPS FOR SUCCESS

1. MAKE A SCHEDULE.
Plan time for work, family, personal activities, and studying. A good rule of thumb is three hours of study per week for every unit. If you're taking 12 units, plan for about 36 hours of study time each week.

2. GET TO KNOW INSTRUCTORS AND CLASSMATES.
If you are sick or need to miss class, make sure to let your instructor know. You can also ask classmates for notes or updates on what you missed. Instructors have office hours where you can ask questions and get help. Make sure to take advantage of this time!

3. GET HELP EARLY.
Don't wait until you fall behind. Free tutoring is available for all subjects. You can also meet with your instructor during office hours or by appointment to stay on track and get support.

4. APPLY FOR FINANCIAL AID EVERY ACADEMIC YEAR.
There are many types of aid available. You can also apply for scholarships – many are based on financial need and can help cover fees, books and living expenses.

5. MEET WITH A COUNSELOR DURING YOUR FIRST SEMESTER.
Your counselor will help you create a Student Education Plan (SEP) that outlines the classes you need to reach your goals. Check in with your counselor at least once or twice a year to review and update your plan.

6. REGISTER FOR CLASSES EARLY.
Do not wait until the last day to register. You will have more options and a better chance of getting the classes and schedule you want if you register on your assigned date.

7. GO TO ALL CLASSES, ESPECIALLY THE FIRST DAY OF THE SEMESTER.
On the first day, instructors provide a syllabus that includes important details such as required textbooks, assignments, projects, due dates, and office hours. Attending helps you start strong and stay organized.

8. SUPPORT YOUR PHYSICAL AND MENTAL HEALTH.
Take advantage of FREE and CONFIDENTIAL psychological and health services. Meet with a professional to navigate your stress or gain clarity on your challenges.

Are you the first in your family to go to college?

Many Madera Community College students are the first in their family to go to college. You are not alone! We have many support services, such as EOPS, and TRIO, designed to help you.

It is normal to feel unsure or overwhelmed at times. Your family may be proud of you but may not fully understand your new experiences, and that is okay. Get involved, make friends, and ask questions.

If you are unsure about your next steps, meet with a counselor, 559-675-4141.

CAMPUS COMMUNICATION

Everyone on campus is committed to your full development as a college student.
We are here to help you succeed!

Below are some tips on how to get support from faculty and staff.
• Instructors have office hours. Their hours and contact information are listed on the class syllabus. Email or call for an appointment.
• Arrive on time. If you are running late or need to cancel/reschedule, call the faculty or staff member.
• Before you send a message to a faculty member, check your syllabus for answers. Faculty and staff are here to help you navigate your way until you get the hang of things.
• Don't wait until the last minute to ask for help!

TIPS FOR EMAILING FACULTY AND STAFF

Always use your scccd.edu student email address for all college correspondence. This will guarantee that your instructor will receive your email and that your message will not go into a spam folder. Also, by using your college email account, your instructor will be able to know immediately who you are, instead of guessing who 1oveh8@unknown.com is. The sample email below can help guide you as you craft emails in the future.

Include a salutation. Dear or Hello Mr. or Mrs. So and So (using their last name) is appropriate. Never use "Hey" or "Yo!" Even "Hi" is very informal, and it's generally better to err on the side of respectful greetings.

Include a subject line that briefly explains the nature of the email.

Subject: ENGL C1000 Writing Assignment

Dear Mr. Ramirez

I had a question regarding the ENGL C1000 Writing Assignment that is due next Friday. I was wondering how many references we needed to include and how we should cite them?

Thank you for your help.

Sincerely,

Susie Q.

Always end emails by thanking the faculty or staff for their time and close with "Sincerely," or "Regards" and sign with your name.
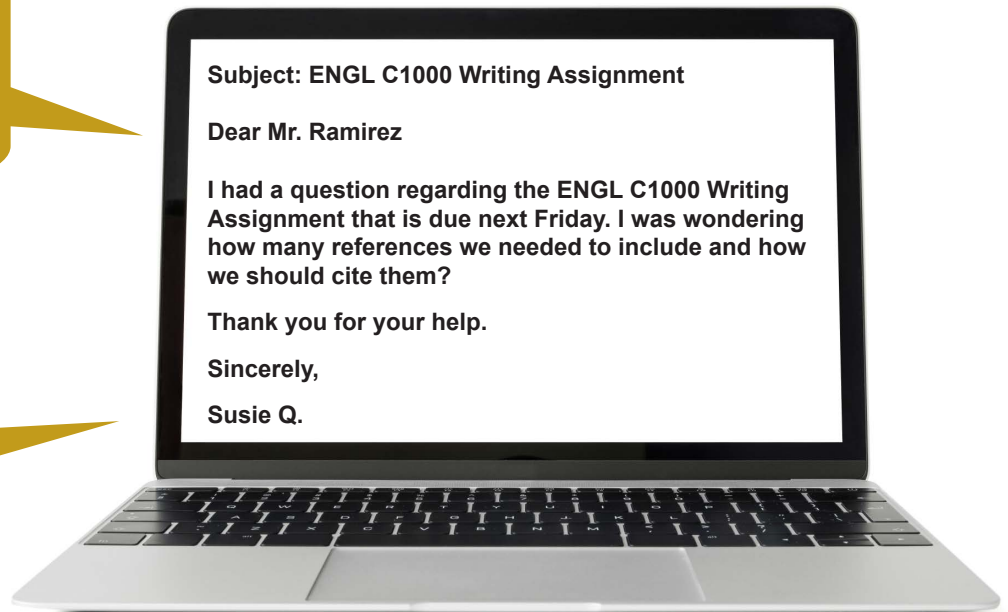

Proofread before clicking "send." Check punctuation, spelling, and do not use texting abbreviations.

Student Activities' values include inclusivity, student-centeredness, collaboration, wellness and balance, and continuous improvement.

CLUBS AND ORGANIZATIONS

Madera Community College has many clubs and organizations that provide opportunities for personal development, leadership training, and enrichment of college life. The various organizations include service organizations, professional/social, athletics, and other special interest groups. New clubs are formed by students, to meet the needs of fellow students. Clubs are a great way to be surrounded by like-minded individuals or to discover new areas of interest. Becoming an Executive Officer for a club also allows students to practice leadership, marketing, and budgeting skills all of which are desirable and transferable skills to the real world. For information on how to start a campus club and/or a current list of campus organizations, stop by the Student Activities Office (R7A), call 559-675-4809, or send an email to: studentactivities@maderacollege.edu
